

*Essential?
Yes, you are!*

(Just like chocolate)

SOMETIMES IT TAKES A
CRISIS TO REMEMBER
SOCIETY'S REAL HEROES.

**Real heroes are people like
you—teachers who are working so
hard for the good of our kids!
You are providing stability in
uncertain times, while being flexible
and committed under real
pressure—Thank you!**

**We acknowledge and value the
amazing work you are doing in
educating our kids.**

**From us all at,
Westgate Vineyard Church.**

**We are a local church who cares greatly
about the inner-west of Melbourne.
Please let us know if there is any way
we can help and support you (or
anyone from your school community)
during this time.**
