

Thank you for being part of our WVC family, and supporting us in the various ways you do. We don't take for granted the commitment and generosity of our people.

To help our dreaming, planning and budgeting for the next 12 months come to fruition could you please indicate below how much you plan to give to WVC in the next 12 months to aid us in our ministry.

You can give us this information anonymously if you wish (after all, it really is between you and God... not us), and we appreciate it if you could write this down as a weekly amount whether or not you will give weekly.

Name (optional)

I wish to give the following amount over the next 12 months, calculated as a weekly figure:

\$ _____

Could you please return this slip next week at our Sunday service. If not you can email the information or pass it on in some way as early as is convenient.

Thank you very much.

JOBS AT WVC

Having everyone involved in doing "jobs" at the church is a necessary thing. By "jobs" we simply mean the things that need to be done in order to make the place work! Nonetheless they are important, and we need people to volunteer for them

Ultimately our aim is to help everyone find their "ministry". This refers to the thing(s) that God is calling you to do and that he wants to use you in to make a difference! Some of the "jobs" areas can become your ministry... it simply requires job+heart+God's thumbs up!

MINISTRY AT WVC

As you get to know us, and as we get to know you, hopefully it will unfold that we will recognise together the ministry(s) that God is calling you to engage in to advance his Kingdom. Then we could get together and have a talk about that! If you have some idea what that might be now, then let us know at the end of the response slip and Aaron will make a time to catch up with you about it.
